My name is Salma and I'm thirteen years old. I want to talk about my favourite city in Korea: Seoul. The best times to visit Seoul are in April and October because the weather is good then. My favourite place there is Gangnam. My father has a big flat there but it doesn't have a living room. Next to his flat there is a supermarket that has everything I want. Behind the supermarket there is a cinema. In the cinema there is an internet cafe. There is also a railway station where I can catch the train to see my friends in Itaewon. I love Seoul!
