1-2/ At the Doctor's

- Reorder the following sentences to write a paragraph about a health

problem. Use the words in italics to find the right order. Start with sentence h.

- a. Your doctor will probably prescribe *eardrops*.
- b. Of course you will have to stay out of the water during *these days*.
- c. *This* can help you feel better.
- d. The *most important* thing is to attack the infection.
- e. *these* contain an antibiotic to kill the bacteria.
- f. You usually have to use the *eardrops* for 7 to 10 days.
- g. When your ear hurts, *he* or *she* may suggest a pain medication like Acetaminophen,
- h. When you have 'a swimmer's ear, there are many things you can do.
- i. The doctor *may also* give you antibiotics in a liquid or a pill for you to swallow.

1-3/ Health around the World

1. Read the three problems below. What do the people suffer from? What advice would you give them?

Dear Abby,

I work 13 hours a day and I rarely take vacations. I spend the whole day working on the computer. I don't even have time for exercising. I'm getting fat. I feel tired all the time. I often have sore eyes and I have terrible headaches at night.

Please help me.

Paul

Dear Abby,

I am 18 years old and I suffer from insomnia. I usually go to bed at 10:00 p.m., but I wake up at 2:30 in the morning and can't sleep again. When I go to school, I feel sleepy and cannot concentrate.

Please help me.

Brian

Dear Abby,

I want to lose weight; right now I weigh 90 kilos. My problem is that I never have meals at home. I always eat between meals and I like junk food. I really feel terrible.

What can I do?

Sam

2. Write an answer to one of the letters.

II- Practice

2-1/ Exercise 1

- Read Mrs Brown's note to her son's teacher. Then write a note to your English teacher telling him that you cannot go to school because of a health problem :

2-2/ Exercise 2

When they have minor health problems, some people do not usually go to the doctor; they just use home remedies.

- Read the home remedy for burns and write home remedies for the other problems. Ask your mother or someone else if you don't know.

Burns :

Turn on a tap and put the burn under cold water. Some people put toothpaste on the burn.

Insomnia :

Migraine :

Colds :

Fever :

Sore throat :
